The following list is a modified version of the Proposal Checklist in The Denver Foundation's Community Grants Guidelines, Effective 2014. Your proposal is only required to include what is on this checklist. This checklist is an addition to the Community Grants Guidelines and it is essential that those Guidelines be followed carefully when submitting a grant proposal. Please refer to the Colorado Common Grant Application User’s Guide for an explanation of items. If any item, or a portion of an item, is missing – or not in the format described – the proposal will be considered incomplete. If you have any questions about these items, please call Bill Inama, Grants Manager at The Denver Foundation, at 720-974-2600.
