Financial Management Planning Grant Program
Application**

The Colorado Nonprofit Loan Fund (CNLF) makes available to its loan applicants and borrowers a limited number of grants for technical assistance in financial management planning. CNLF applicants or borrowers may apply for these funds on an as needed basis. Grants of up to \$2,000 per agency are available for technical assistance in the area of financial management, development planning, and cash flow planning. Organizations may propose a plan to use a consultant or technical assistance provider of their choice. CNLF will also recommend technical assistance providers if one has not already been selected by the agency.

Applicants for CNLF's Financial Management Planning Grants must demonstrate a clear need for financial management planning assistance. A plan must be outlined.

Financial Management Planning Grant Applications may be submitted to CNLF at any time. The CNLF Loan Committee meets monthly to review applications and make awards.
