
THE HELEN M. MCLORAIN SCHOLARSHIP FOR FOSTER CARE & EMANCIPATING YOUTH

A SCHOLARSHIP FUND OF THE DENVER FOUNDATION

Application Packet for the 2012 – 2013 Academic Year

Born in Chicago in 1918, Helen M. McLoraine was a pioneer who, in the 1950's, put on a hard hat, learned about the oil industry, and broke new ground for women to assume leadership roles in business. She studied business at the University of Chicago and was a long time resident of Winnetka, Illinois with her husband Frank McLoraine who was a lawyer. Helen moved to Denver in 1985, several years after the death of her husband, and lived in Denver until her death in January, 2003.

Helen was deeply influenced by her mother's dedication to philanthropy and became a generous benefactor in the areas of education, youth social welfare, figure skating, and medical research. She was especially committed to small nonprofit organizations with great missions and small resources. A gift from her estate was used to create this scholarship program.

Program

The Helen M. McLoraine Scholarship Program for Foster Care and Emancipating Youth was created to provide educational scholarships for foster care youth who are emancipated or are in the process of preparing to emancipate from the foster care system in Colorado. Awards can be used toward part-time or full-time undergraduate study at any accredited U.S. post-secondary school (including trade, vocational, community college or four-year school).

Eligibility

Read the following carefully. Applicants must:

- Have been in the foster care system in Colorado for a minimum of 24 months between the ages of 13 and 18 (months do not need to have been consecutive). Applicants who meet this requirement and are emancipated, were adopted at age 15 or older, or are participating in the Guardianship Assistance Program or Independent Living Arrangement are eligible to apply; and
- Be age 23 or younger on August 15, 2012; and
- Complete the Free Application For Student Aid (FAFSA) in 2012; and
- Be planning to attend an accredited post-secondary school as an undergraduate in the U.S. for the 2012-2013 academic year.

Please note that individuals that are related to a member of the scholarship Selection Committee or a Denver Foundation staff or board member are not eligible to apply.

Selection

Recipients will be selected based on academic achievement/potential, motivation, potential for success in their chosen program and field, and financial need.

Awards

Scholarships of varying amounts will be awarded once each year through a competitive process. Award amounts can be up to \$10,000 per year based on the strength of the student application, educational plan, and unmet financial need. Awards can be used for tuition, fees, and required books and supplies. Awards must be used for the 2012-2013 school year. An individual can receive a scholarship award from this fund for a maximum of three years.
